FIT AND PROPER POLICY

INTRODUCTION

The Board of Directors (“the Board”) of Bee Same Group Berhad (“the Company”) and its subsidiaries (collectively referred to as “the Group”) provide strategic leadership that influences the financial position and future direction of the Group. Directors of the Group (“Directors”) are required to possess the competence, character, diligence, honesty, integrity and judgement to effectively and properly perform their duties, in tandem with good corporate governance practices.

Accordingly, the Group must prudently manage the risk to its business and financial standing; and that all Directors are fit and proper. Hence, clear parameters on the selection process of Directors are important in championing for qualified appointments at the leadership level.

This Fit and Proper Policy (“Policy”) serves to guide the Nomination Committee of the Group (“Nomination Committee”) and the Board in their review and assessment of candidates that are to be appointed onto the Board as well as Directors who are seeking for re-election.

OBJECTIVES

This Policy is designed to:

- set out the Group’s approach to the assessment of the fitness and properness of candidates that are to be appointed onto the Board as well as Directors who are seeking for re-election;
- improve the overall quality of Directors; and
- promote greater transparency on the criteria for board appointments.

RESPONSIBILITY

The Board’s Commitment and Responsibility

The Board and the Nomination Committee are primarily responsible to ensure that all Directors fulfil the fit and proper criteria and to conduct assessments of the fitness and properness of candidates to be appointed to the Board and as well as Directors seeking for re-election. For other senior management, decisions on appointments and assessments of fit and proper may be made by the Chief Executive Officer / Managing Director / Executive Director or designated personnel under the delegated authority of the Board and Nomination Committee.

The Board is committed to ensure that each person who holds a director position has the appropriate skills and experience in line with the role that they hold, and will make all final determinations on the fitness and properness of the person.

Nomination Committee Responsibility

The Nomination Committee (with the assistance of the Company Secretary, where appropriate) is responsible for the assessment of existing Directors seeking re-election or candidates for nomination or appointment as a Director, and making recommendations to the Board on these matters.

Company Secretary Responsibility

The Company Secretary is responsible for:

- ensuring that appropriate fit and proper assessments are conducted for each existing Director seeking re-election or candidates for nomination or appointment as a Director;
- making submissions about any matters that are relevant to a particular assessment of a Director's or candidates' fitness and propriety;
- providing information to the Nomination Committee on matters concerning the procedure for fit and proper assessments; and
- ensuring that the Group takes all reasonable steps to protect the information and documents collected from misuse, unauthorised access, modifications or disclosure.

REQUIRED NOTIFICATION

The Company Secretary must keep and maintain a current list of all Directors and senior management, in addition to details of the competencies and training required for each Director and senior management. The Nomination Committee must approve the list of Directors and senior management maintained by the Company Secretary and any changes to that list.

As soon as possible after a person is nominated or proposed for election or appointment to a Director or senior management position, the Company will make available to that person a copy of this policy and the details of the competencies and training required for the relevant Director or senior management. This Policy will also form part of the induction process for all Directors or senior management.

The Group will also take reasonable steps to ensure that each Director or senior management is aware of, and fully understands this Policy before any assessment of their suitability to hold a Director or senior management position is conducted.

PROCEDURE FOR FIT AND PROPER ASSESSMENT

- The fit and proper assessments on each person within the scope of this Policy document shall be conducted prior to initial appointments or whenever the Group becomes aware of information that may materially compromise a person's fitness and properness.

- The Group must support the fit and proper assessments with relevant information in relation to the person being assessed. Where significant reliance is placed on information that is obtained from the person being assessed, and that information is material to the determination of the person's fitness and properness, the Group shall take reasonable steps to verify the information against independent sources.
- The Group shall have regard to the factors set out in Section 5 in assessing a person's fitness and properness. The Group shall assess the factors individually, as well as collectively, taking into account their relative importance.
- Failure to meet one factor on its own does not necessarily mean failure to meet the fit and proper criteria. The Group should consider the circumstances surrounding a person's failure to meet specific factors, including the lapse of time since the occurrence of events, other contributing factors and the potential risks posed to the Group.
- The assessment process will involve a good measure of judgement, which should be exercised objectively and in the best interests of the Group. The Group should consider that information relevant to such assessment may vary depending on the degree of an individual's influence and responsibilities in the affairs of the Group.

- The Nomination Committee should conduct a periodic review of the criteria to be used in the fit and proper assessment of Directors. The Nomination Committee should promptly communicate the new changes or amendments of the criteria to the Board and individual Directors.
